

SPORTSMAN'S WORLD ANNUAL MEETING

SWPOA Board of Directors Candidates – October 2024

Christine Watters

Christine Watters and her husband, Jeff, have been residents of Sportsman's World since 2005. She currently serves as the Vice-President of the Sportsman's World Property Owners' Association (SWPOA), with her term expiring this year. Additionally, Christine has dedicated 12 years to the Sportsman's World MUD board. With a robust background in the insurance industry, she has owned her own agency for thirty years and has held various leadership roles on insurance boards and committees. Christine's agenda centers on ensuring that decisions are made fairly and responsibly, with the community's best interests at heart. She believes in doing things the right way and is passionate about maintaining the values that make Sportsman's World a wonderful place to live. She is willing to volunteer her time for another term on the SWPOA Board and will be placing her name on the ballot this October.

Stephen Kennedy

My name is Stephen Kennedy, age 62, attorney, amateur astronomer, and astrophotographer. I have won two awards from NASA for Astronomy Picture of the Day. I am also a board member of the Fort Worth Astronomical Society. I have two sons, one granddaughter, a German Shepard dog (Spica), and have lived in SW since November 2019. Before that, I lived in Gaines Bend from 2007 to 2018. I don't have any agenda except that I advocate for people to voluntarily reduce light pollution by turning off lights at night, using lower wattage bulbs, and using shields over lights so that the light is directed down. Thanks.
